MAY 30 2008

Good morning Judge Sullivan,
Today I am trying to make
acknowledgements towards moving this claim
forward in order. Not fully understanding the
rules and being misled by a legal coordinator
within my facility, I submitted a amended
complaint not being aware that I had to ask
for permission first. So today I am asking
for your permission to submit. Yes I did send
one to your chambers earlier this month.

Thank you for allowing my claim to
continue to move forward in your courtroom
with a trial date to be named!

Respectfully submitted,
Darrell Bush

This case was referred to me for general pretrial purposes.
Accordingly, Judge Sullivan sent this letter to me. Neither Judge Sullivan, nor
the Pro Se Office nor my Chambers has received any amended complaint.
If Mr. Bush wishes to RECEIVED
the Pro Se Office (and serve) SDNY PRO SE OFFICE a motion seeking leave to
amend, along with
a copy of his
proposed
amended
complaint.
